FAX (401) 222-2083

**LOCAL GOVERNMENT ASSISTANCE**

One Capitol Hill  
Providence, RI 02908-5873

May 2007

Dear Municipal Official:

The Office of Local Government Assistance is pleased to enclose the results of its recent **Survey of Municipal License & Permit Fees**. The survey was prepared for the use of those municipal and state officials concerned with these matters and will also serve as an easy reference for other interested persons or agencies. [**Bold face** indicates those new changes since the previous study was conducted in August, 2003.]

Although the survey includes many of the more common licenses and permits issued by cities and towns, no attempt was made, at this time, to be comprehensive. Future surveys, for example, may include building, electrical, plumbing and zoning permits. Other licenses, such as marriage, hunting and fishing were also excluded; the fees for these licenses, as well as some included in our survey, are established by the General Laws of Rhode Island.

It should also be noted that the type of license required for the identical activity may vary from one municipality to the next. For example, a carnival in one town may require a "special events" license; a carnival in another town may require a "exhibition & performances" license; while in a third municipality, it may require a carnival license.

The Office of Local Government Assistance wishes to thank the town and city clerks throughout Rhode Island who provided and verified the data in this survey for their individual city or town. Local Government Assistance welcome comments and suggestions for improving future survey on this subject.

Joseph E. Coduri  
Supervisor  
Office of Local Government Assistance
